

CATHOLIC CHARITIES
HONORING HUMAN DIGNITY

Senior Transportation Services

 [\(505\) 724-4659](tel:(505)724-4659)

OUR SERVICES

Door to Door Rides for Seniors

We provide safe, reliable transportation to medical appointments, grocery stores, senior centers, and other essential destinations—right from the client's door and back again.

Serving Seniors with Care and Dignity

Our volunteer drivers offer more than just a lift—they offer kindness, patience, and a helping hand, treating every rider with the respect they deserve.

Supporting Independence and Connection

By helping seniors get where they need to go, we reduce isolation and promote healthy, independent living—keeping our clients engaged with their community.

ABOUT US

Catholic Charities' Senior Transportation Services provide safe, reliable, and friendly rides for seniors aged 60 and older who need help getting to essential destinations. Whether it's a trip to the doctor, grocery store, or other important errands, our volunteer drivers ensure that seniors stay independent, connected, and cared for. This free service is available by appointment and designed to support the dignity and well-being of older adults in our community.

WHY VOLUNTEER TO DRIVE?

Make a Meaningful Impact

Every ride you provide helps a senior access vital services—like medical appointments, groceries, or community events—that support their health, independence, and connection to the world around them.

Build Human Connections

Our volunteers often form genuine bonds with the seniors they serve. A friendly conversation or a smile during a ride can brighten someone's entire week—and yours, too.

Enjoy a Flexible & Purposeful Role

You choose the days and times you drive. Whether you have a few hours a week or more, your time makes a real difference, and we'll support you every step of the way.
